

***SUPER GLIDE***

# Turn Table

For beautifully efficient gift basket production, use the SuperGlide Turntable for a quick view of all angles. Give your basket a fast finish with sparkling SuperShrink Dome Bags. Shrink into a professional protective package with Traco's industrial-strength HotShot heat gun.

- Built to last and easy to use.
- Food safe, with a 1-year warranty.
- Heat resistant, quick clean surface always looks new with a simple wipe of a cloth.
- Industrial grade, so light, medium or heavy weight items handled with ease.
- Attractive design is suitable for display.
- Ball bearing driven with tension adjustment.
