

HOT SHOT[®]

Heat Gun Stand

Keep your heat gun handy and safe in the Heat Gun Stand and Store Accessory. The black-glazed metal accessory comes ready to mount on your SuperSealer[™] or any convenient work surface. Just peel the sticky backing from adhesive strips and press into place.

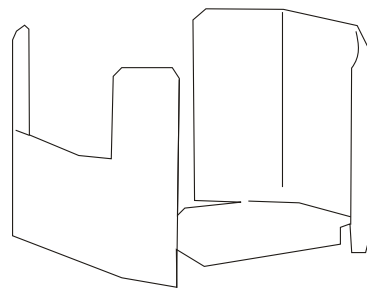

Accessory mounts on Super Sealer or any work surface.

HOTSHOT is safely stored in the same place and position, improving workflow.

Hot Shot shown in stand & store accessory

- One piece heat-resistant industrial-strength metal
- Built to last the life of your SuperSealer
- Simple installation instructions for fast and easy setup
- Adhesive strips come pre-applied to accessory
